DECLARING INTENTION TO ORDER THE VACATION OF A SEWER AND PUBLIC UTILITIES EASEMENT IN PACIFIC AVENUE FROM DAVIS STREET TO THE EMBARCADERO, SAN FRANCISCO, CALIFORNIA:

WHEREAS, A petition has been filed to vacate a sewer and public utilities easement in Pacific Avenue from Davis Street to The Embarcadero as reserved in Resolution No. 29-63 adopted by the Board of Supervisors on January 18, 1963, and as indicated on the Drawing No. RE-12-73, a copy of which is on file with the Clerk of the Board of Supervisors; and

NOW, THEREFORE, BE IT RESOLVED, That it is the intention of this Board of Supervisors to order the vacation of said sewer and public utilities easement subject to the following conditions:

URGING METROPOLITAN TRANSPORTATION COMMISSION TO REQUEST THAT THE DEPARTMENT OF TRANSPORTATION DESIGNATE SAN FRANCISCO AS ONE OF THE CITIES TO BE INCLUDED IN PROPOSED EXPERIMENT IN "INTEGRATED" TRANSPORTATION.

WHEREAS, The Department of Transportation is considering allocating funds to several cities throughout the country for experiments in "integrated" transportation systems; and

WHEREAS, The proposed experiments would concentrate on improving urban public transportation and lessening automobile traffic congestion through such concepts as better transit service, reduced fares and no fares on certain lines, increased fees for automobile usage, and staggered working hours; and

WHEREAS, San Francisco would be an ideal city for such a study since a majority of its citizens and legislators are already committed to greater emphasis on public transit and to discouraging automobile traffic in the city; and

WHEREAS, This commitment is demonstrated by the construction of BART, low fares on the Municipal Railway, encouragement of commuter buses through special bus lanes on bridges, and public opposition to construction of freeways in the city; and

WHEREAS, The Metropolitan Transportation Commission has authority to seek federal funds for improving urban transportation and to allocate such funds for experiments designed to increase use of public transit; now, therefore, be it

DECLARING POLICY THAT SPECIFIED FEDERAL LOAN FUNDS SHALL BE UTILIZED FOR COMPLETION OF ALAMO SQUARE, BERNAL HEIGHTS AND MARKET-CASTRO-DUBOCE TRIANGLE FEDERALLY ASSISTED CODE ENFORCEMENT (FACE) PROJECTS PRIOR TO FURTHER EXPANSION OF FACE PROGRAM.

WHEREAS, The residents of the Alamo Square, Bernal Heights and Market-Castro-Duboce Triangle Federally Assisted Code Enforcement (FACE) areas have been subjected to great uncertainty with regard to the status of the FACE Program in San Francisco because of the reported unavailability of funds in the future from Section 312 (Rehabilitation Loans) of the Federal Housing and Development Act; and

WHEREAS, Many residents in said areas have incurred substantial personal expense in undertaking the lengthy and costly process of renovating, and thus preventing the spread of blight and slum conditions, and

WHEREAS, The commitment of FACE participants to improve the housing stock in our City was undertaken with good will but also with the fully justifiable belief that other dwellings in said neighborhoods would be similarly improved to retain a uniformly desirable character of the areas; and

WHEREAS, The upgrading of the Alamo Square, Bernal Heights and Market-Castro-Duboce Triangle neighborhoods are vital to the perpetuation and enhancement of San Francisco's present character; and

WHEREAS, This Board of Supervisors hereby reaffirms its commitment to assist the residents and property owners of said neighborhoods to the greatest degree possible; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby declare as the policy of said City and County that in the event additional Section 312 loan funds shall be allocated by the Federal Office of Management and Budget for the purpose of supporting the Federally Assisted Code Enforcement Program in San Francisco, said funds shall be used in the completion of the FACE project areas of Alamo Square, Bernal Heights and Market-Castro-Duboce Triangle prior to their use in any other FACE areas currently or hereafter approved; and, be it

SUPPORTING CONTINUATION OF THE PUBLIC EMPLOYMENT PROGRAM (EMERGENCY EMPLOYMENT ACT OF 1971) AND URGING PRESIDENT OF THE UNITED STATES TO RESTORE FUNDING IN THE FEDERAL BUDGET TO ASSURE CONTINUATION OF THE PROGRAM.

WHEREAS, The President's Budget, as submitted to Congress, phases out the highly successful Public Employment Program (Emergency Employment Act of 1971) on the grounds that, as the result of the decrease in the national unemployment rate, by the time the present Act expires in the summer of 1973 there will be no need for continuation of this program; and

WHEREAS, In San Francisco the unemployment rate is being held to a level higher than the national average due to a combination of factors, including the effect of decreased federal employment, a continuing decline in blue collar jobs and a population decrease in the past three years; and

WHEREAS, Since its initiation in San Francisco in the fall of 1971, the Emergency Employment Program has provided meaningful transition employment for nearly 1800 residents of San Francisco; and

WHEREAS, Termination of the Public Employment Program would cause the loss of jobs for men and women who work for the City and County and loss of the needed public services which have been provided through the addition of Emergency Employment Act employees; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco supports the continuation of the Public Employment Program (Emergency Employment Act of 1971) and urges the President of the United States to restore funding in the Federal Budget to assure continuation of the Program; and, be it

FURTHER RESOLVED, That copies of this resolution be furnished to his Honor, the Mayor, for transmission to the Federal Legislative Representative for presentation by the latter to the President of the United States, the Director of the United States Office of Management and Budget, and to all members of the California Delegation to the United States Congress, with the request that they take all necessary action to effectuate the intent of this resolution.

MEMORIALIZING THE PRESIDENT, THE SECRETARY OF HOUSING AND URBAN DEVELOPMENT, CONGRESSMEN AND SENATORS TO TERMINATE FREEZE ON SECTION 236 LOW-MODERATE INCOME HOUSING, PUBLIC HOUSING, FACE PROGRAM, SECTION 312 HOUSING REHABILITATION LOAN PROGRAM AND SECTION 117 GRANT PROGRAM FOR HOUSING REHABILITATION AND RELATED COMMUNITY DEVELOPMENT PROGRAMS.

WHEREAS, The Department of Housing and Urban Development on January 5, 1973, froze new funding of all subsidized housing programs, including Section 236 low-moderate income housing and public housing, and numerous community development programs; and

WHEREAS, Prior to that time, similar freezes were put into effect on the Federally Assisted Code Enforcement (FACE) program and Section 312 loans and Section 117 grants to facilitate rehabilitation of structures in neighborhoods being upgraded through FACE; and

WHEREAS, The City and County of San Francisco has 3,500 units of low and moderate income housing planned for urban renewal and model cities areas and elsewhere which will be stopped by this freeze, which will thereby seriously obstruct and defeat San Francisco's efforts to improve the quality of its housing and the conditions of life for many low and moderate income families and elderly people of all races; and

WHEREAS, The FACE program and the related Section 312 low-interest loans and Section 117 grants are essential to San Francisco's program of neighborhood preservation and revitalization without which decay and the need for expensive demolition and new construction will increase greatly, as will the loss of middle-income families to the suburbs; and

WHEREAS, The on-going use of the subsidized housing programs in suburban communities surrounding San Francisco is essential to the welfare of San Francisco in that it helps to spread the responsibility of housing low and moderate income families and elderly and better enables San Francisco to maintain a balanced community including all household types, income and racial groups; now, therefore, be it

RESOLVED, That this Board urgently requests President Nixon and HUD Secretary-designate Richard Lynn immediately to terminate the freeze on Section 236 low-moderate income housing, public housing, and the FACE program, the Section 312 housing rehabilitation loan program, the Section 117 grant program for housing rehabilitation and related community development programs; and be it

FURTHER RESOLVED, That this Board urgently requests its representatives in Congress, Phillip Burton and William Mailliard, and U.S. Senators Alan Cranston and John Tunney, to use their best efforts to have the freeze terminated at the earliest possible date.

MEMORIALIZING THE CONGRESS OF THE UNITED STATES TO OPPOSE ANY DEFENSE APPROPRIATION ENCOMPASSING AID TO NORTH VIETNAM UNTIL SUCH TIME AS FUNDING FOR DOMESTIC PROGRAMS IS RESTORED.

WHEREAS, The President of the United States, in an effort to reduce the Federal Budget, is withholding funds from various federally-assisted domestic programs, including war on poverty, model cities, urban renewal, child-care, education and public health programs, and at the same time is increasing the defense appropriation for aid to North Vietnam; and

WHEREAS, These various federally-assisted programs are vital and important to the welfare and well-being of the people of the City and County of San Francisco, as well as to the people of other communities in the United States; and

WHEREAS, Such budget reductions would not only result in the loss of approximately 3,000 jobs in San Francisco and predictably cause a concomitant increase in local welfare rolls, but would confront the City and County with the impossible task of attempting to fund said projects with local tax monies; and

WHEREAS, This Board of Supervisors feels that these worthwhile programs of proven merit deserve the full and continued support of the Federal Government and that it would be unconscionable and false economy for additional tax burdens to be placed upon citizens of the City and County of San Francisco and of other communities throughout the United States as well by the reduction or elimination of such funds for these vital programs; and

WHEREAS, While the President is reducing vitally needed social domestic spending, he is increasing the defense budget to support the rebuilding and sustaining of the government of North Vietnam; now, therefore, be it

BOARD OF SUPERVISORS

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby memorialize the United States Congress to oppose any defense appropriation encompassing aid to North Vietnam until such time as funding for domestic programs is restored; and be it

URGING DEPARTMENT OF HEALTH, EDUCATION AND WELFARE TO RESCIND PROPOSED REGULATIONS FOR ADMINISTRATION OF SERVICE PROGRAMS FOR FAMILIES, AND AGED, BLIND, AND HANDICAPPED PERSONS AND TO DRAW NEW GUIDELINES TO PROVIDE FOR INCREASED SERVICES.

WHEREAS, The United States Department of Health, Education and Welfare has issued proposed new regulations relating to its administration of service programs for families and children, as well as the aged, blind, and handicapped, through publication in the Federal Register on February 16, 1973; and

WHEREAS, A public hearing held March 6, 1973, in Nourse Auditorium, San Francisco, was attended by more than 300 persons and elicited dramatic testimony from 48 individuals and representatives of organizations in San Francisco that would be affected by the proposed regulations; and

WHEREAS, Those who testified described day care centers, nursery schools, public preschool centers, residential care services and specialized day programs and services for handicapped adults that would be reduced or eliminated if the new regulations go into effect as proposed; and

WHEREAS, The testimony pointed out the inconsistency in the Federal Government's position of attempting to reduce the welfare rolls and at the same time of forcing low-income working mothers back onto welfare by eliminating day care services for their children; and

WHEREAS, The testimony further pointed out the inconsistency in the Federal Government's position of encouraging the private sector to contribute to and support needed social programs and then prohibiting the use of private funds for the state and local share of matching funds from the Federal Government for such social programs; and

WHEREAS, Administrators of social programs and services in San Francisco deplored the lack of time they have had to review the proposed regulations before they are scheduled to go into effect, and they further described the deadline of March 19, 1973, for commenting thereon as "precipitous" and "unrealistic"; and

WHEREAS, The overwhelming consensus of everyone who attended the March 6th hearing was that more, not less, services and programs are needed to enable low-income families, as well as aged and handicapped persons, to lead decent, dignified lives and to participate in the mainstream of American life; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco, in response to a public outcry, does hereby urge the Department of Health, Education and Welfare to rescind its proposed regulations published in the Federal Register on February 16, 1973, and to draw new guidelines that will provide for increased services to low-income families and to aged and handicapped persons whose needs ought to be a first priority of a democratic society; and, be it

FURTHER RESOLVED, That copies of this resolution be sent to President Richard M. Nixon, Mr. Caspar Weinberger, Secretary of Health, Education and Welfare, Governor Ronald Reagan, Dr. Earl Brian, Secretary of the California Human Relations Agency, Mr. Robert Carlson, Director of the California State Department of Social Welfare, Dr. Wilson Riles, State Superintendent of Public Instruction, and San Francisco's delegation in Congress and the State Legislature.

PROTESTING CLOSING OF SAN FRANCISCO NAVAL SHIPYARD AT HUNTERS POINT, URGING THE FEDERAL ADMINISTRATION TO EXAMINE THE NEED FOR MAINTENANCE OF BASES AND INSTALLATIONS IN FOREIGN COUNTRIES BEFORE CLOSURE OF DOMESTIC MILITARY AND NAVAL FACILITIES, AND PROPOSING IMMEDIATE CONFERENCES BETWEEN LOCAL AND FEDERAL REPRESENTATIVES TO ASSURE THE CONTINUED FULL OPERATION OF THE HUNTERS POINT NAVAL SHIPYARD.

WHEREAS, Plans announced by the Navy Department for the closing of Hunters Point Naval Shipyard have created widespread consternation, particularly with relation to the economic and social effects which will be evident locally; and

WHEREAS, On previous occasions when the Navy Department contemplated the closing and abandonment of the San Francisco Naval Shipyard at Hunters Point, it was recognized that the facility is located on one of the finest landlocked harbors in the world, is one of the most readily accessible naval shipyards on the West Coast, adjoins permanent deep water, and is adjacent to one of the best-protected deep-water anchorages on the West Coast, with sufficient land area for foreseeable expansion; and

WHEREAS, San Francisco Naval Shipyard, employing some 5,600 people whose economic status is such that severance from employment would create an enormous welfare problem for the locality, has been the principal West Coast maintenance and repair facility for aircraft carriers for decades, and at a time when the Joint Chiefs of Staff are demanding increased appropriations for aircraft carriers in an effort to pursue modernization of our Fleet and continued control of the seas, it is a distressing anomaly to suggest abandonment of an aircraft carrier base; and

WHEREAS, Since its beginnings in 1849 when the Hunters Point site was chosen for a dry dock by private land developers, through 1910 when a U.S. Navy General Board recommended construction of a major naval repair base at Hunters Point, followed by the years during World War II when the facility repaired or overhauled 661 ships with a total employment of more than 18,000 persons, until today when the shipyard exists as one of the nation's top-rated yards for efficiency and necessity of operation, Navy boards and congressional committees have consistently and repeatedly recognized the need for a Navy repair base at Hunters Point; and

WHEREAS, There are at present 3,400 military and naval bases and installations of the United States of America in existence and in operation in 30 foreign countries; and

WHEREAS, The expense of maintaining such bases and installations is approximately $30,000,000,000 per year in the budget of the Department of Defense; and

WHEREAS, In the present fiscal year (1972-73) that portion of the balance of payment deficit of the United States of America which is attributed to Department of Defense expenditures in such foreign countries is approximately $5,000,000,000; and

WHEREAS, Not one of such bases or installations in foreign countries is scheduled by the Department of Defense for closure under the schedule of facility closings announced today; now, therefore, be it

RESOLVED, That at the present time the Board of Supervisors of the City and County of San Francisco does hereby register vigorous protest to the President, the Secretary of Defense, the Secretary of the Navy, the Chief of Naval Operations, the Chairman of the Joint Chiefs of Staff, the Senate Armed Services Committee, and the House Armed Services Committee to defer any immediate plans for the closing of San Francisco Naval Shipyard at Hunters Point; and, be it

FURTHER RESOLVED, That the President, the Secretary of Defense, the Secretary of the Navy, the Chief of Naval Operations, the Chairman of the Joint Chiefs of Staff, the Senate Armed Services Committee and the House Armed Services Committee be urged to examine the need for maintenance of bases and installations in foreign countries before considering any closures of domestic military and naval facilities; and, be it

FURTHER RESOLVED, That the Senators from California and the Congressmen representing the people of the City and County of San Francisco be and they are hereby respectfully urged to confer with the appropriate officials of the Federal Government and the Congress for the purpose of formulating a satisfactory program for retention and possible enhancement of San Francisco Naval Shipyard at Hunters Point; and, be it

FURTHER RESOLVED, That the Mayor be and he is hereby requested to appoint a committee of local citizens and officials to maintain close liaison with Federal officials, and to arrange for a San Francisco delegation to confer with Federal officials involved, in conjunction with our Senators, Congressmen and Federal Legislative Representative, to the end that the retention of San Francisco Naval Shipyard at Hunters Point may be assured; and, be it

FURTHER RESOLVED, That, in the event that Federal action finally results in the complete or partial closing of the Hunters Point Naval Shipyard, the Federal Government should assume the entire responsibility for locating appropriate replacement employment (including retraining where necessary) for those workers losing their jobs as a result of such action; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded immediately to the Mayor for transmittal to our Federal Legislative Representative and immediate dissemination by the latter to all those named herein, as well as any other persons and agencies who may be instrumental in achieving the purpose sought by this resolutions.

FILE NO. 287-73-2 RESOLUTION NO. 285-73

MEMORIALIZING PRESIDENT RICHARD M. NIXON TO APPROVE THE RELEASE OF IMPOUNDED WATER POLLUTION CONTROL FUNDS IN THE FULL AMOUNT OF $11 BILLION.

WHEREAS, The United States Environment Protection Agency has informed the States that Federal assistance to the Clean Water Grant Program has been reduced by sixty per cent as a result of the President's impounding of funds previously appropriated for this program; and

WHEREAS, California is in desperate need of crucial water pollution control funds in order to protect and meet the needs of its people and to sustain the lead it has held in the nation since 1949 in the field of water quality management; and

WHEREAS, Because of the Federal cutbacks the State Water Resources Control Board, in order to forestall population growth in critical air basins, including the San Francisco Bay Area, may limit financial aid to such districts for sewering for residential, commercial or industrial growth; and

WHEREAS, The San Francisco Bay Area is one of the most crucial water quality areas in the nation, and if national goals to clean up and preserve our waters are to be met, it is essential that construction of major works be undertaken without delay; and

WHEREAS, Water quality management planning has developed a wastewater management facilities program for the Bay Area which would cost an estimated $1 billion, and a schedule for implementing the program which would require commitment of funds during the period from 1973 to 1978; and

WHEREAS, Reduction in the amount of grant funds available from the Federal Government will cause substantial delays in construction of wastewater management facilities which are required to protect the waters of the San Francisco Bay from sources of pollution; and

WHEREAS, Such foreseeable delays will cause the quality of the waters of San Francisco Bay to continue to deteriorate and the costs for construction of needed water quality management facilities to increase substantially; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby memorialize President Richard M. Nixon to reconsider his previous action in impounding water pollution control funds heretofore appropriated by Congress and to give favorable consideration to approving the release of the full amount of $11 billion at the earliest possible time; and, be it

FURTHER RESOLVED, That copies of this resolution be transmitted to his Honor, the Mayor, for transmission to the Federal Legislative Representative for presentation by the latter to the President of the United States, the Director of the United States Office of Management and Budget, and the members of the California Delegation to the United States Congress with the request that they take all necessary action to effectuate the intent of this resolution.

URGING CONGRESSIONAL APPROVAL OF HR-2353, AUTHORIZING UNITED STATES MINT TO STRIKE A COMMEMORATIVE MEDAL FOR THE 100th ANNIVERSARY OF THE SAN FRANCISCO CABLE CAR.

WHEREAS, At 5:00 o'clock on the morning of August 2, 1873 when Andrew Hallidie guided historic Cable Car No. 1 of the Clay Street Hill Railroad on its first run to the Kearny Street turntable in San Francisco, not only was another and world famous San Francisco tradition born, but a new era in public transportation was heralded; and

WHEREAS, Although Andrew Hallidie's invention endures in San Francisco today as a unique tourist attraction as well as a form of daily transportation for local travelers, its significance as a major contributor to local transportation should not be minimized but rather deserves permanent recognition so that it may not be forgotten in the tremendous improvements wrought by the transportation industry in today's transit systems; and

WHEREAS, There is currently pending before the Subcommittee on Consumer Affairs of the Banking and Currency Committee of the House of Representatives legislation identified as HR-2353, it would authorize the United States Mint to strike a commemorative medal in honor of the 100th Anniversary of the San Francisco Cable Car, to be celebrated on August 2, 1973; and

WHEREAS, The proposed San Francisco Cable Car commemorative medal not only honors the recollection of the cable cars' utility and public service but also the values and benefits derived by the public from the transit systems of which the cable car was an outstanding forerunner; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco do hereby memoralize the Congress of the United States, and the Subcommittee on Consumer Affairs of the House Banking and Currency Committee to approve HR-2353 and thus assure issuance of an appropriate commemorative medal in observance of the 100th Anniversary of the San Francisco Cable Car; and, be it

BOARD OF SUPERVISORS

FILE NO. 91-73-1 RESOLUTION NO. 307-73

DECLARING BOARD OF SUPERVISORS' POLICY TO SUPPORT ALLOCATION OF HOTEL TAX FUNDS FOR LOW INCOME HOUSING IN YERBA BUENA CENTER, TO COOPERATE WITH REDEVELOPMENT AGENCY IN AMENDING THE REDEVELOPMENT PLAN, AND TO ENACT APPROPRIATE LEGISLATION TO ACCOMPLISH SAID PURPOSES.

WHEREAS, The City and County of San Francisco has completed the preparation of plans and specifications for the initial construction of a Convention Center and Sports Arena on the central blocks of the Yerba Buena Redevelopment Project Area; and

WHEREAS, Direct allocations and appropriations by the City to date total $7,000,000 and, contingent upon final execution of financing and construction, the City will make additional cash outlays and undertake final obligations totaling $206,000,000; and

WHEREAS, The Federal Government has expended to date in excess of $50,000,000 for planning, property acquisition, demolition, relocation and related expenses in the Yerba Buena Center Redevelopment Project; and

WHEREAS, The Board of Supervisors, by enacting Ordinance No. 289-72, approved by the Mayor on October 13, 1972, increased the San Francisco Hotel Tax from five and one-half percent to six percent to provide for rent supplements for low-income households which results in an annual allocation of $430,000 for low-income housing subsidies; and

WHEREAS, A series of lawsuits have been brought against the Yerba Buena Redevelopment Project which have threatened the orderly scheduling of demolition, relocation and construction of the Convention Center and Sports Arena; and

WHEREAS, The TOOR vs. HUD litigation now pending in the U.S. District Court for the Northern District of California, still unsettled, is regarded as an obstacle to the orderly relocation of citizens residing in the Project Area and a primary cause of financing and construction delays; and

WHEREAS, The completion of the Redevelopment Agency's plans for the Yerba Buena Complex will generate 16,000 man years of construction-employment at a time when BART construction is being completed; and

WHEREAS, Said Project's completion will increase permanent employment in San Francisco by 8,600, many of which are in service categories offering employment to minority citizens, at a time of serious unemployment and threatened loss of permanent employment in such locations as Hunters Point Naval Shipyard; and

WHEREAS, San Francisco has developed and is building with the heaviest local subsidy more units of low cost housing than any city of comparable size in the United States; and

WHEREAS, The Department of Housing and Urban Development has certified the complete adequacy of San Francisco's relocation housing inventory; and

WHEREAS, Each month of delay after May 1, 1973, of the construction of the Convention Complex costs the City $1,000,000 in construction cost escalation; and

WHEREAS, The Board of Supervisors recognizes that the early construction of the Yerba Buena Center Convention Complex is vital to San Francisco's economic health; and

WHEREAS, The Board of Supervisors wishes to take all reasonable and prudent actions available to it to bring to a conclusion the legal obstacles which have interferred with the early development of Yerba Buena Center; and

WHEREAS, Failure of the City to proceed with the Convention Center and Sports Arena will threaten the entire project and could ultimately deprive approximately 600 residents of the project area of any Federal housing relocation benefits and make them ineligible

for any local rent assistance payments; now therefore be it

RESOLVED, That this Board of Supervisors finds and determines, based upon all available evidence, that settlement will be less costly to the City than protracted delay and thus recognizes the efforts of the Chief Administrative Officer and the staff of the Redevelopment Agency to reach a settlement of the litigation which currently interferes with the construction and completion of the Yerba Buena Center Convention Complex; and, be it

FURTHER RESOLVED, That as a matter of policy and as a means of facilitating the settlement of litigation currently interfering with the construction of Yerba Buena Center, the Board of Supervisors will support the reallocation of existing hotel tax funds to provide for (1) the continuation, for a period of ten years, of $160,000 per year in City rent supplements for use in the manner previously specified in Ordinance 289-72 and (2) the allocation for a period of not to exceed 35 years of one-twelfth of the existing six percent hotel tax plus $100,000 derived from the surplus from the Publicity and Advertising Fund less $60,000 to facilitate the construction of low-income housing in Yerba Buena Center, including, as may be necessary, payments for architecture, engineering, maintenance and operation, construction, financing, rent subsidies or such other subsidies as may be required. Provided, however, to the extent that the City and County of San Francisco becomes obligated to make lease rental payments to the San Francisco Redevelopment Agency in support of Redevelopment Agency lease revenue bonds or a series of bonds, the obligation of the City and County of San Francisco to make the appropriations and allocations for such payments shall be deemed to be proportionally discharged; and be it

FURTHER RESOLVED, That the Board of Supervisors will cooperate with the Redevelopment Agency by amending the official redevelopment

plan as may be necessary to provide sites for low income housing within the Project area; and be it

FURTHER RESOLVED, That the Board of Supervisors will promptly act to implement the policies expressed in this resolution by the enactment of appropriate ordinances in accordance with the Charter of the City and County of San Francisco; and be it

FURTHER RESOLVED, That this Board of Supervisors does hereby transmit its policies as hereinabove set forth to the Mayor, the City Attorney, the Chief Administrative Officer, the Redevelopment Agency and to other parties to the TOOR vs. HUD litigation with the request that they seek by every appropriate means a final decision or settlement of said pending litigation.

APPROVING AND AUTHORIZING THE EXECUTION OF AN AGREEMENT FOR FEDERAL LEGISLATIVE SERVICES BETWEEN THE CITY AND COUNTY AND ROBERT E. JOSTEN.

WHEREAS, Section 16.3-1 of the Administrative Code requires "The appointment of such (Federal) Legislative Representative shall be subject to ratification by the Board of Supervisors, and the various policies and programs proposed by the Mayor for execution by such (Federal) Legislative Representative shall be subject to approval by the Board of Supervisors"; and

WHEREAS, For the past three years the City has contracted with the National League of Cities/U.S. Conference of Mayors for the individual services of Robert E. Josten; and

WHEREAS, Under the agreement with the National League of Cities/U.S. Conference of Mayors, the City has been allotted and has paid for two-thirds of the time of Robert E. Josten, with the other one-third being allotted to and paid for by Oklahoma City; and

WHEREAS, Changes are being proposed by the President, Federal executive and administrative agencies and by the U.S. Congress which could profoundly affect the City's relationship with the Federal government; and

WHEREAS, In order to study these proposals adequately and present the viewpoint of the City respecting them to Congress and the administrative agencies, it is important that the City's Federal Legislative Representative be able to devote his complete attention to the needs of the City; and

WHEREAS, It is substantially more economical for the City to contract directly with Robert E. Josten, rather than increasing the present contract with the National League of Cities/U.S. Conference of Mayors to their required full-time rate; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby ratifies the contract with Robert E. Josten, executed by the Mayor on June 6, 1973, for services as Federal Legislative Representative for the period July 1, 1973, to and including June 30, 1974.

URGING GOLDEN GATE BRIDGE, HIGHWAY AND TRANSPORTATION DISTRICT, TO DEFER DEFINITIVE ACTION ON A PROPOSED TOLL INCREASE PENDING FORMULATION OF POLICY POSITION BY THE CITY AND COUNTY OF SAN FRANCISCO.

WHEREAS, In 1971 the Golden Gate Bridge, Highway and Transportation District, paid in full the original debt for the construction of the Golden Gate Bridge, and thereby signified payment of a $35-million obligation incurred in the 1930's; and

WHEREAS, The initial plan which contemplated that when the structure was officially debt-free, the span would be incorporated in the State Highway System and its right-of-way made toll-free was superseded by an unprecedented and unforeseen growth of vehicular traffic which impelled this Board of Supervisors, among other governmental and private groups, to endorse District plans for a public transit system of buses and ferries with which to adequately transport people across the Golden Gate; and

WHEREAS, In pursuance of its expanded operations, the District has committed itself to a multi-million dollar debt for the purchase and operation of bus and ferry systems; ~~at least partially predicated upon the belief of its consultants that the bus system would be self-supporting and that the ferry system would require a subsidization of approximately $1 million a year; and~~

WHEREAS, In the face of a failure of the tributary systems to produce revenue which will substantially offset the added demands upon toll collections, the Board of Directors of the Golden Gate Bridge, Highway and Transportation District, is now actively considering a proposal to increase the basic 50-cent automobile fare to 75 cents, for the purpose of further subsidizing its operations; and

WHEREAS, An inflationary increase at this time is of extreme importance to the people of the San Francisco Bay Area and of particular concern to the residents and business people of the City and County of San Francisco, since it has serious implications of operational losses at this time as well as possible future deficiencies which may give rise to additional toll raises in the not too distant future; and

WHEREAS, At the present time, the District's proposal for additional subsidies has not been the subject of public hearing where community voices may express the important viewpoints which must be taken into consideration prior to final action on any such proposal; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby respectfully urge the Board of Directors of the Golden Gate Bridge, Highway and Transportation District, to hold in abeyance any definitive action which it may take with respect to the toll increase proposal until such time as this Board of Supervisors, for and on behalf of all the people of the City and County of San Francisco, can conduct its own public hearings in order to fully explore the proposal and thereafter formulate a policy position either endorsing or opposing the plans of the Bridge directorate; and, be it

FURTHER RESOLVED, That the Streets and Transportation Committee of this Board of Supervisors be and it is hereby directed to conduct an appropriate public hearing or hearings at the earliest possible date for the purpose of submitting a policy recommendation to the Board of Supervisors for action and transmittal to the Golden Gate Bridge, Highway and Transportation District.

RECOMMENDING ENACTMENT OF SB 794, WHICH REPEALS PROVISIONS OF THE REVENUE AND TAXATION CODE WHICH PROHIBIT LOCAL GOVERNMENTS FROM IMPOSING INCOME TAXES, AND RELATES TO CERTAIN OTHER TAXES.

WHEREAS, One means of lessening the real property tax at this time is through enactment of a municipal personal income tax measure; and

WHEREAS, Such a measure would solve the current pressing need for additional revenue to the City and County and would introduce into the City's system of taxation a major tax which recognizes families' ability-to-pay as an important criterion in allocating the tax burden; and

WHEREAS, Such legislation would permit the City and County, if it so desired, to make applicable such a tax to commuters and other non-residents equally as to residents, and thereby apply the burden of costs of governmental services in San Francisco to all of those who use them, resident and commuter alike; and

WHEREAS, Provisions of the Revenue and Taxation Code currently prohibit any city, county, or city and county from imposing local income tax and certain other taxes; and

WHEREAS, There is currently pending in the State Legislature SB 794, which would repeal such prohibitive provisions; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby approve and recommend the enactment of SB 794, which repeals provisions prohibiting local government from imposing income taxes; repeals provisions providing that state cigarette taxes are in lieu of all other taxes on the privilege of distributing cigarettes; and repeals legislative declaration that the Sales and Use Tax Law and the Bradley-Burns Uniform Local Sales and Use Tax Law has pre-empted such area of taxation; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to his Honor, the Mayor, for transmission to the State Legislative Advocate for presentation by the latter to the members of the San Francisco delegation in the State Legislature with the request that all necessary action be taken to ensure the enactment of the above-described legislation.

WHEREAS, Reconstruction of Doyle Drive is tentatively scheduled for 1977 or 1978 unless funding therefor is allocated prior to that time; and

WHEREAS, It is imperative that effective interim safety measures be taken to prevent traffic accidents and further casualties on Doyle Drive; and

WHEREAS, The State Division of Highways has been successfully experimenting with daylight testing zones in some areas, such as on Highway 37 from Mare Island Naval Shipyard to the Sonoma Turn-Off, Highway 121, and on Interstate Route 505 between Route 128 at Winters to its junction with Interstate Route 5, in which signs are posted to caution motorists to turn on the headlights of their vehicles while driving in such zones; and

WHEREAS, Results of said undertakings have indicated that the practice of driving with headlights on during the daylight hours on dangerous thoroughfares may reduce the incidence of head-on collisions now, therefore, be it

RESOLVED, That this Board of Supervisors of the City and County of San Francisco does hereby urge the California Highway Commission to put into effect as soon as possible improvements to the Doyle Drive approach to the Golden Gate Bridge, and to establish as an interim safety measure a daylight testing zone on Doyle Drive, requiring all motorists to keep the headlights of their vehicles turned on at all times while traversing said roadway; and, be it

URGING GOLDEN GATE BRIDGE, HIGHWAY AND TRANSPORTATION DISTRICT TO DEFER DEFINITIVE ACTION ON A PROPOSED TOLL AND FARE INCREASE PENDING A FEASIBILITY STUDY, AND OPPOSING A TWENTY-FIVE CENT INCREASE.

WHEREAS, In 1971, the Golden Gate Bridge, Highway and Transportation District paid in full the original debt for the construction of the Golden Gate Bridge, and thereby signified payment of a $35 million obligation incurred in the 1930's; and

WHEREAS, The initialplan, which contemplated that when the structure was officially debt-free the span would be incorporated in the State Highway System and its right-of-way made toll-free, was superseded by an unprecedented and unforeseen growth of vehicular traffic which impelled this Board of Supervisors, among other governmental and private groups, to endorse the plans of the Golden Gate Bridge, Highway and Transportation District for a public transit system of buses and ferries with which to adequately transport people across the Golden Gate; and

WHEREAS, In pursuance of its expanded operations, the District has committed itself to a multi-million dollar debt for the purchase and operation of bus and ferry systems; and

WHEREAS, In the face of a failure of the tributary systems to produce revenue which will substantially offset the added demands upon toll collections, the Board of Directors of the Golden Gate Bridge, Highway and Transportation District is now considering a proposal to raise the 50 cent automobile fare to 75 cents, for the purpose of further subsidizing its operations; and

~~WHEREAS, In studying the performance of the tributary systems, it is clear that the ferry boat patronage projections have not been met and are, in fact, on the decline; and~~

WHEREAS, A further examination of the tributary systems reveals that the 1972-73 deficit for the operation of the ferry boat will be approximately $300,000; and

WHEREAS, This deficit will increase in 1973-74 to $421,000; and

~~WHEREAS, There have been no studies to determine why the patronage on the commute runs has dropped to approximately 230 passengers per day; and~~

WHEREAS, An inflationary increase at this time is of extreme importance to the people of the San Francisco Bay Area and of particular concern to the residents and business people of the City and County of San Francisco, since it has serious implications of operational losses at this time as well as possible future deficiencies which may give rise to additional toll raises in the not-too-distant future; and

WHEREAS, A toll fare increase is not now necessary to maintain the present $7.5 million reserve level of the Golden Gate Bridge, Highway and Transportation District; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby respectfully urge the Board of Directors of the Golden Gate Bridge, Highway and Transportation District to hold in abeyance any definitive action which it may take with respect to the toll and fare increase proposal until such time as there is a full financial feasibility study; and, be it

FURTHER RESOLVED, That this Board of Supervisors does hereby oppose the proposed toll increase from the present fifty cents to seventy-five cents per round trip; and, be it

FURTHER RESOLVED, That a copy of this resolution be transmitted to the Board of Directors of the Golden Gate Bridge, Highway and Transportation District.

EXPRESSING OPPOSITION TO PROPOSED AMENDMENTS TO THE CONSTITUTION AND BY-LAWS OF THE NORTH COASTAL COUNTIES SUPERVISORS ASSOCIATION AND ITS PROPOSED BUDGET FOR FISCAL YEAR 1973-74.

WHEREAS, The proposed amendments to the Constitution and By-Laws of the North Coastal Counties Supervisors Association, as submitted to the Board of Supervisors of the City and County of San Francisco for its approval, purport to expand the purposes of the Association so that its primary impetus would be to exert rural and suburban influences on the County Supervisors Association of California, the State Legislature, and State and Federal agencies; and

WHEREAS, The major thrust of the Association, as manifested in the proposed amendments, in planning to seek to exert rural and suburban influences on the State Legislature, associations and governmental agencies, while serving a legitimate and worthwhile purpose for other member counties, would be in conflict with the interests of the City and County of San Francisco in such matters as State legislation on schools; and

WHEREAS, In addition to the proposed amendments to the Constitution and By-Laws, the North Coastal Counties Supervisors Association submitted a proposed budget, with a revised formula for determining annual dues for member counties which, if approved, would result in an increase in dues for San Francisco that would spiral from $150 per year, the current rate, to $8,333 per year; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco, predicated on possible conflicts of interest on matters vital to San Francisco, does hereby express its opposition to the proposed amendments to the Constitution and By-Laws of the North Coastal Counties Supervisors Association, the proposed budget of the Association for fiscal year 1973-74, and the revised formula for fixing annual dues; and, be it
